## SURVEY ON SUSTAINABLE INSURANCE PRODUCT

Building on the insights gained from our previous survey focused on enhancing awareness among IC-regulated entities regarding sustainable insurance products, this follow-up initiative seeks to assess, where applicable, the potential impact of these products on the Philippines' Nationally Determined Contributions (NDCs) and to explore considerations related to Environmental, Social, and Governance (ESG) factors in the context of sustainable insurance.

To reiterate, while the Commission does not yet have formal criteria for identifying these products, it is guided by 'The Philippine Sustainable Finance Roadmap' and 'The Philippine Sustainable Finance Guiding Principles,' rooted in 'The Philippines' Nationally

- 1 Is your company/association aware of sustainable insurance products? **(Yes/No/NA)**
- 2 Does your company/association have an approved sustainable insurance product? **(Yes/No/NA)**
- 3 Have you assessed how your sustainable insurance products align with environment-related goals and sustainability targets within your company? **(Yes/No/NA)**
- 4 Does your sustainable insurance product align with nationally recognized environmental and sustainability goals, such as the Philippines' NDCs (i.e. Reduction of GHG emissions; Adaptation measures; Energy Transition; Sustainable Transport; or Sustainable Agriculture)? **(Yes/No/NA)**
- 5 Kindly provide information on approved sustainable insurance products of the company/association in **Table A**.  
**Questions 6 to 12 are applicable only to regulated entities WITHOUT sustainable insurance products.**
- 6 Is your company/association considering to sell sustainable insurance products to your members? **(Yes/No/NA)**
- 7 What is/are preventing the company/association from developing/selling 'sustainable insurance products'? Alternatively, what will push the company/association to develop and sell 'sustainable insurance products'?
- 8 Has your company received inquiries or requests from customers regarding sustainable insurance products? **(Yes/No/NA)**
- 9 Does your company see potential benefits from offering sustainable insurance products? **(Yes/No/NA)**
- 10 Will you consider selling sustainable insurance products if there are incentives? **(Yes/No/NA)**
- 11 Has your company considered the regulatory landscape and requirements related to sustainable insurance offerings? **(Yes/No/NA)**
- 12 If your company/association plans to have a sustainable insurance product in the future, please specify the target year.

### NOTES AND INSTRUCTIONS:

- 1 Kindly input the appropriate answers under the 'Response' column opposite the question except for # 4 where response should be encoded in Table A.
- 2 For year format, use YYYY e.g., 2023
- 3 For Column J on NDC Contribution in Table A, please refer to the following definitions for the drop-down list:
  - Reduction of GHG Emissions:** Sustainable insurance products in this category provide coverage for businesses and individuals adopting practices that actively reduce their carbon footprint.
  - Adaptation Measures:** These insurance products focus on supporting communities and industries in adapting to the impacts of climate change. Coverage may include protection against climate-related risks such as extreme weather events, sea-level rise, and other environmental challenges.
  - Energy Transition:** Sustainable insurance products promoting energy transition offer coverage for clean energy projects, such as solar and wind farms.
  - Sustainable Transport:** Insurance products in this category encourage environmentally friendly transportation practices such as coverage for electric/hybrid vehicles
  - Sustainable Agriculture:** These insurance products are tailored to support sustainable farming practices.
  - NA:** Not Applicable
- 4 For Column K on ESG Consideration in Table A, please refer to the following definitions for the drop-down list:
  - Environmental:** Environmental factors in insurance products pertain to considerations of the ecological impact of insured activities. This may include policies that address risks associated with climate change, natural disasters, pollution, and other environmental challenges.
  - Social:** Social factors in insurance products focus on the societal impact of insured activities. These policies address risks related to human well-being, community development, and inclusivity.
  - Governance:** Governance factors in insurance products involve considerations of the internal and external governance practices of the insurance company. This may include cyber risk insurance and D&O insurance among others
  - NA:** Not Applicable
